

WE ARE HIRING!

Contract Specialist, Supplier Relationship Management

Salary range: \$71,000-\$85,000 per annum

Position Summary

Reporting to the Senior Supplier Relationship Manager, the Contract Specialist works closely with the Supplier Relationship Management team including Category Managers, Contract Leads, Specialists and Analysts, to effectively manage agreements and supplier relationships.

Key Responsibilities

- Support the SRM Category Managers/Contract Leads with contract related inquiries for assigned agreements and make recommendations.
- Respond to contract related inquiries for assigned agreements.
- Review all documents pertaining to newly executed Master agreements (CSA template, pricelist, second stage guide and template).
- Issue and manage Amendments (I.e., briefing note package) for assigned agreements/Suppliers:
 - Price/Product Refresh
 - Language Amendments
 - Extensions
 - Other applicable amendments as deemed necessary.
- Prepare for Business Reviews with Supplier in assigned categories, such as performance review and contract-related activities sections.
- Prepare and participate in the Supplier Partner Orientation Meetings for suppliers in assigned category agreements.
- Conduct Supplier Segmentation and maintain supplier status for assigned agreements based on supplier segmentation strategy.
- Assist in agreement negotiations with key suppliers and collaborate with the Strategic Sourcing team to finalize agreements.
- Support the SRM Category Managers/Contract Leads in reviewing sourcing projects (including RFP review, MA review, Negotiations as applicable and evaluations of technical response where needed).
- Participate in Supplier Recognition Program debrief meetings and take minutes for assigned agreements.
- Manage supplier performance i.e., through review of KPIs/SLAs and other obligations within the assigned agreements.
- Manage the contract transition and close out plans as required working closely with suppliers and the CRM team.
- Review, validate and ensure CSAs for assigned portfolio are up to date.
- Ensure that the SMCR team is kept informed on all aspects of agreement contract renewals, changes due to amendments to the agreement.

- Create communication on the centralized system and work collaboratively with cross-functional departments to send out communication to customers on contractual updates and promotional updates.
- Other projects and activities, as assigned.

Qualifications and Skills

- Degree in Business Administration and/or related field, or completion of a Supply Chain Management program.
- Minimum of two (2) years' recent experience in contract administration, preferably in the public sector, or an acceptable combination of education, training and experience.
- Procurement experience within the Ontario Public Sector is strongly recommended.
- Comprehensive understanding of Ontario's legislative/regulatory/policy framework regarding public procurement, contractual compliance and risk, and related contract management methods.
- Strong knowledge of business analytics principles, methodologies, and techniques, including reporting frameworks, performance scorecards, key performance indicators, statistics, relational database concepts and tools.
- Strong analytical, writing, and communication skills.
- Ability to use sound judgement and logic and create innovative solutions.
